THE CULTURAL ALLIANCE

The Columbia Kootenay Cultural Alliance partners with the Columbia Basin Trust to deliver arts and culture funding in the Columbia Basin. The Cultural Alliance, which is an umbrella association of arts, culture and heritage sector representatives, carries out programs that each year result in the creation of more than 120 cultural projects.

The Cultural Alliance has an established steering committee, which works to determine cultural funding needs throughout the region and recommends cultural programs to the Columbia Basin Trust. Once these programs are approved the Columbia Basin Trust relies on the expertise of the Cultural Alliance committee to determine which projects will receive arts and culture funding.

To date the Cultural Alliance and the Columbia Basin Trust have delivered over half a million dollars to residents of the Columbia Basin in the cultural sector.
